

Horizon Health Center: Insurance Plans Accepted

Horizon Health Center accepts any insurance and even treats patients that are not covered by insurance. If you do not currently have insurance, please go to the “Patient Forms & Checklists” page (found on the Home page) and download the Uninsured Care Application and the Uninsured Checklist and be sure to bring \$25 to pay towards your visit and all other materials listed in these forms. If you do have insurance, please make sure to bring money for your required co-payment depending on your insurance plan. We accept any and all insurances. Below is a list of those plans most frequently used at Horizon Health Centers.
